

Preliminary Economic Assessment Announced by Champion Iron's JV Partner for the Joyce Lake DSO Deposit of the Attikamagen Project, Near the Town of Schefferville, Quebec

TORONTO, ONTARIO—(Marketwire – March 26, 2013) – CHAMPION IRON MINES LIMITED (TSX:CHM)(OTCQX:CPMNF) (FRANKFURT:P02) ("Champion" or the "Company") reports that Century Iron Mines Corporation ("Century") issued a news release on March 25, 2013 announcing the results of a Preliminary Economic Assessment ("PEA") for the Joyce Lake Direct Shipping Ore Deposit ("Joyce Lake") located in Labrador on the Attikamagen Iron Project, jointly held by Champion and Century.

Century states this PEA report has been prepared by Cima+ under the supervision of Jean-Sébastien Tremblay, Eng., who is a Qualified Person (as defined by NI 43-101), with contributions from Claude Duplessis, P. Eng., Jefferey Cassoff, Eng. Mathieu Girard, Eng. A summary of this report's results can be viewed in Century's news release. The announcement by Century states that the contents of Century's news release were reviewed and approved by an independent qualified person (within the meaning of NI 43-101); however, no independent qualified person engaged by Champion has done sufficient work to analyze, interpret, classify or verify Century's statements to determine the accuracy of the technical information announced by Century. Accordingly, readers are cautioned against attributing those statements to Champion. Champion is focussed on its Consolidated Fire Lake North Project and does not consider the Joyce Lake DSO Deposit or the Attikamagen Iron Project to be a property material to the Company within the meaning of NI 43-101.

Century's news release states that a NI 43-101 Technical Report will be filed on SEDAR and on Century's website within 45 days of the date of the news release. The report will include a summary of the Preliminary Economic Analysis.

The Joyce Lake DSO deposit is located approximately 15km northeast of Schefferville, Quebec.

About Champion Iron Mines Limited

Champion is an iron exploration and development company with offices in Montreal and Toronto, and is focused on developing its significant iron resources in the provinces of Québec and Newfoundland & Labrador. Champion holds a 100% interest in the Fermont Iron Holdings and a 44% interest in the Attikamagen Iron Project located in both Québec and Labrador. The Attikamagen Project is under option to Labec Century Iron Ore Inc. ("Labec"), a subsidiary of Century Iron Mines Corporation, under which Labec can earn up to a 60% interest. Labec has requested a transfer of a further 4% to increase Labec's holding to 60% under its option agreement with Champion. Champion is undertaking its due diligence investigations with respect to the request.

Champion's Fermont Iron Holdings, including its flagship Consolidated Fire Lake North Project, are located in Canada's major iron ore producing district, in close proximity to five producing iron mines, existing transportation and power infrastructure. Consolidated Fire Lake North is located immediately north of Arcelor Mittal's operating Fire Lake Mine and 60 km south of Cliffs Natural Resources Inc.'s Bloom Lake Mine in northeastern Québec. Champion's management and advisory board includes mining and exploration professionals with the mine development and operations experience to build, commission, and operate the future Consolidated Fire Lake North mine.
