About Champion Iron Limited

Champion Iron Limited is an iron exploration and development company with offices in Montreal, Toronto and Australia, and is focused on developing its significant iron resources in the Labrador Trough in the province of Québec. Champion Iron holds a 100% interest in the Fermont Iron Holdings, including its flagship Consolidated Fire Lake North Project, that is located in Canada’s major iron ore producing district, in close proximity to producing iron mines, existing transportation and power infrastructure.

Consolidated Fire Lake North is located immediately north of Arcelor Mittal’s operating Fire Lake Mine and 60 km south of Cliffs Natural Resources Inc.’s Bloom Lake Mine in northeastern Québec. Champion Iron’s management and advisory board includes mining and exploration professionals with the mine development and operations experience to build, commission and operate the future Consolidated Fire Lake North mine.

Champion Iron also holds an option to earn into 100% of the Snelgrove Lake Project, a highly prospective iron ore project located in the Labrador Trough in Newfoundland and Labrador. The Snelgrove Lake Project has excellent access to infrastructure, with potential for both a hematite and multi-billion tonne magnetite project.
