“We are pleased to have reached an agreement with Century Iron on the Attikamagen Lake Project,” commented Thomas G. Larsen, President and Chief Executive Officer of Champion. “Consolidating Century’s interest in the Project will better enable it to move forward toward production at Joyce Lake and other parts of the Attikamagen Lake Project, which will generate a royalty stream for Champion. It will also enable Champion to focus fully on its flagship Consolidated Fire Lake North Project and other properties in the southern part of the Labrador Trough.”
